

Second Annual MOVE-A-THON, Take Two!

April 8, 2021

Yoga-ta Get Moving!

Little Friends Preschool is thrilled to announce the return of our Spring **MOVE-A-THON** on Thursday, April 8th. On this action packed day we will:

- ✓ Raise funds for continuing education
- ✓ Teach our kiddos that *everyone* can MOVE, even if it looks a little different.
- ✓ Keep our students focused on fun, fitness and movement!

The **MOVE-A-THON** will be held during regular preschool hours with classes rotating between the classroom and gym for all the activities. Students will **hop, balance, bend, and stretch** through four different stations to learn that “Yoga-ta Get Moving!” Students will also learn about healthy eating, the importance of playing outside, and including everyone in play.

- Students will collect monetary pledges from friends, neighbors, and family members. If you would like to support our students with a donation, please fill out the form below. Submit it with your payment (cash or a check made out to Little Friends Preschool) to your child’s teacher or to the church office by Thursday, April 8th (the day of the event).
